Shooting for our Goals
To Protect the Future

From the Exalted Ruler

Can you believe it, June 1st already, and our winter residence have gone north to be with family and friends. We sure miss them through the Summer months. I sure hope they have made it safely and have a great Summer. With our friends gone it leaves us with the slow Summer months. But we are still here. We have had to cut our Friday menu for cost reasons. Our menu still has great fish, chicken, shrimp, and pork dishes. **WE HAVE NOT CLOSED AND WE WILL NOT CLOSE FOR THE SUMMER.** What this Lodge needs is member support. The lodge is open Monday for Karaoke, with a very large sandwich menu, Tuesday which is meeting day, and Friday's, with entertainment and fish fry.

I would like to apologize again for not submitting an article for the May issue of the Palmetto Pride. I had a bit of a health problem and things are better now. Thank you all again for the cards and well wishes. You will all be remembered. I would also like to say, Ron Alf, is doing better and recuperating at home.

As I write this article, it is one week before the Elk's State Convention and your four chair officers, one alternate, and lodge secretary, will be there to welcome our new State President, from the Mighty Southwest District, District Leader, Dan Tabor and his lovely wife, Rachel. Good Luck in your year, Dan, we know you'll do a great job.

At this time I would like to remind those who may have forgotten to pay their dues. They are past due. As of this writing, there are one hundred and thirty nine delinquent members. Dues are a very important part of Elkdom. They help keep our doors open and they also support our National, State, and Local charities.

Your Officers would like to invite all members in good standing to the attend Board of Director's meetings. These are open meetings and your input and ideas are important to this Lodge. There is also a suggestion box on the wall left of the bar, under the men's room sign.

This Lodge has been known as the fun Lodge, but recently, personality conflicts have occurred and has disturbed many members. We must remember that everyone has a right to their own ideas and even though you may disagree, a cool head and common sense must prevail. Disagreements should be settled in the Lodge Room or at a meeting.

In 2012 J.D. Daniels, PER started an Elk of the month Award, and it continues to this day. I am proud to name Will Nuttle, Elk of the Month for June. His big smile and warm welcome, even after working hard in the kitchen, proves he is worthy of this Award. Congrats Will!!

Well that's all for now. Please read your bulletin for upcoming events. See you at the LODGE.

Fraternally Yours,
Len Pruss, Exalted Ruler

From the desk of the Secretary

There is an old song "June is busting out all over"! That is true here in Florida. Many of our northern neighbors have left. It is always sad to see them go. As we see their tail lights we look forward to when we see the head lights. As of this writing we have 542 active members, 410 have paid their dues for 2014-2015. There are still 139 members that have not paid their dues. We have called many of you personally, some we have not been able to reach because of bad telephone numbers. It would be great to see the delinquent number be zero. With your help we can do it. I don't have the "Magic Number" from the State yet but when we receive it, it will be posted in the lodge.

A reminder if you have moved or changed your phone number please contact the office. I need information to inform the Grand Lodge so they can continue to send your Elks Magazine. We are sending out bulletins via email and postal mail, if we do not have your email address and wish to receive your bulletin on line please send your email address including your name so it can be added to your membership information. If you have changed your email address please send an email with the correct address to palmettoelks1@gmail.com so it can be changed. Thank you in advance for all your help.

If I can be of assistance all you need to do is either call, write, or send me an email and I will try to assist you in any way I can.

Fraternally Yours,
Judy Vergason, Lodge Secretary

June 25, 1990, is known as Korean War Veterans Recognition Day. The **Korean War** (25 June 1950 – 27 July 1953) was a war between the Republic of Korea (South Korea), supported by the United Nations, and the Democratic People's Republic of Korea (North Korea), at one time supported by China and the Soviet Union. (Wikipedia) This is a time to reflect on the lives lost to preserve our freedom.

"So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them."

This is the Pledge of the B.P.O.E since 1917.

The Benevolent and Protective Order of Elks continued their veterans services after WWII.

During its first session, the War Commission decided to set up a program in cooperation with Lodges that were close to large military camps. They wanted to provide Brother Elks with the benefits of their membership in the spare time available to them. The Commission also wanted to provide members of the Armed Forces who were not Elks, some of the comforts of home while far away from their families.

Throughout the United States, 155 Elks Fraternal Centers were established. They were supported by the Elks National War Commission, and in many instances, by individual Lodges.

Because of their record of accomplishment, the Elks were asked to help recruit men skilled in construction for the Army Corps of Engineers and the Navy Construction Battalions. With the enthusiasm and efficiency of our Lodges, the requested numbers of Army Engineers and Navy Seabees were met three months ahead of schedule.

Aid was provided for members of Manila Lodge No. 761 and Agana, Guam Lodge No. 1281 and their families after they had been captured and devastated by the Japanese.

Thousands of gift boxes containing smoker's supplies, candy and personal hygiene items were sent to our fighting military personnel, while thousands of slippers were distributed to hospitalized members of the Armed Forces.

When thousands of wounded and disabled members of the Armed Forces were returned to the States for recuperation at government hospitals, the Elks again stepped forward offering their services helping entertain these veterans. In addition to radios, phonographs, playing cards, books, magazines, games, musical instruments and craft items, they also provided comfort care items for bedridden patients. Our Elk volunteers also spent hours listening to these heroes. They heard their tales of horror and heroism during battle. They listened to the hopes and dreams of these young veterans who were far from home, family, spouses and sweethearts. Most of all, the Elks were there to lend support whenever possible.

It was through the work with hospitalized veterans during World War II, that we continued our evolution of *"SERVING OUR NATION'S VETERANS"*.

In July 1946, at the Grand Lodge Session in New York, the Elks National Veterans Service Commission was created to replace the Elks War Commission. The main goals of the new Commission were "to carry on the Hospital Program, the Peace Army Enlistment Campaign, and all uncompleted activities supervised by the Elks War Relief Commission". The Elks even provided funds and materials to build a recreational unit at the Navy Hospital in Guam. During this Grand Lodge Session, the Elks pledged, *"So Long as there are veterans, the Benevolent and Protective Order of Elks will never forget them"*. Our commitment continues to this day, providing comfort and care to Veterans in over 300 VA and State Hospitals, long term care facilities, clinics, and USO centers.

The Elks National Veterans Service Commission became the Elks National Service Commission in 1949 at the Grand Lodge session in Cleveland. This new Commission was named the patriotic agency of the Order, in addition to continuing our work with veterans.

Next month we'll continue with Elks Veterans services through the Korean and Viet Nam wars.

Millennium Walk Way

The Millennium Walk Way was established in 2000 at the Umatilla Youth Camp to connect the Pavilion and the new Grafton Center. It was decided at that time to create the walkway with laser engraved brick pavers. With a donation of \$50.00 an engraved brick would be placed in the walkway. The proceeds from these donations is received by the Florida Elks Charities, Inc. to help funding the Harry-Anna Trust Fund.

Through the years bricks have been purchased as memorials, recognition of services to Florida Elksdom, and recognition of donations from Lodges and individuals to the Harry-Anna Trust Fund.

What a wonderful way to give tribute . Order forms are available at the lodge, just ask any officer for information.

Harry-Anna Trust Fund

Harry-Anna Trust Fund

Of everything that the Florida Elks do, perhaps nothing is more important than our work with the state's youth. Sowing the seeds of accomplishments and commitment through our Florida Elks Children's Therapy Services and Florida Elks Youth Camp programs, children are given the opportunity to grow and learn beyond their wildest imaginations.

The Harry-Anna Trust Fund was established in 1951. The purpose of this charitable trust was, and continues to be, the collection of donations, the selling of trust fund certificates, and the acceptance of endowed gifts.

The trust fund is restricted, which means that only the income derived from it may be used to support our major projects: the Florida Elks Children's Therapy Service and Florida Elks Youth Camp Programs.
