August 2015

Volume 5

From the Exalted Ruler

There are two branches of our armed forces that are celebrating birthdays this month, the US Coast Guard and the Marine Reserves. The US Coast Guard was established on August 4, 1790 and celebrating their 225th birthday. The Marine Corps Reserves was established on August 29, 1916 and celebrating their 99th birthday. Although separate departments in the military both of them share a common bond, protecting us at home as well as abroad.

The US Coast Guard is the only military organization within the Department of Homeland Security. They are quick to respond to natural and manmade disasters. They keep us safe on land and sea, ever present along our waterways and helping protect our homes when called upon.

The Marine Corp Reserves, may be called upon to strengthen active forces in peacetime and in time of war. They are there to support during national emergencies or lead community services. Marine Corp Reservist can be seen in your own neighborhood. The most familiar involvement is their work with their Toys for Tots program that benefit so many of our children.

To both of these branches of service we owe a debt of gratitude for keeping us safe at home through their work on our water ways, and their community services.

Happy Birthday to you and may you have many more!

In this past month our lodge has been going through some major changes. We are in the process of getting a new roof! With assistance from Grand Lodge we are able to have a new metal roof installed. It looks fantastic and really helps with making our lodge stand out.

Those of you who don't know we have rented out our kitchen and back room to Laura Rojas. Laura is very involved in our community and will be renting out the back room for events and will be catering the food for our lodge, she has named her new business the North River Events Hall. With her newly formed business starting this month, we have made some changes to our lodge room. The wall between our lounge area and meeting room as been removed opening up that room. This will be our new area for dinners and parties. Please stop by and see what a difference this one small change has made to our lodge.

Last month I had the opportunity to attend the Grand Lodge convention in Indiana. What a beautiful area the convention was held at. The history there was remarkable with a museum dedicated to the civil war.

The convention itself was very informative and interesting. The opening ceremony was opened with the parade of flags representing each of the states. It was with great pride that the Florida delegates cheered on our flag being carried in by our State President Carl Ledig.

Through the rest of the week we learned about some of the awesome accomplishments that our family of Elks have made during the year. It was with pride that we watch our own district receive an award. Jeff Mitchell from the Bradenton lodge received the Grand Lodge Community Investment Program, CIP award for his work with the Elks Feeding Empty Little Tummies, EFELT. You can read more about this award on the Elks web site.

In case you haven't heard our lodge held a back to school party for 200 needy children in our community. Each child was served a hot dog lunch and given a back pack with the supplies that they will need to start their new school year. This event takes a lot of volunteers and dedication to make it a success. This is all spearheaded by Judy Vergason my Elk of the month. Judy has done a fantastic job for the last four years in organizing and planning this event. She spends a lot of her free time looking for deals on the supplies and shopping for what is needed. The party is funded by the gratitude grant our lodge receives each year with matching funds by GL. It is Judy's hard work that makes it all happen, she has already started shopping for next year. Thank You Judy for all you do for our lodge and for our community children.

Fraternally,
Rose Wujcik, ER

Until then I hope you stay cool, and have fun.
Smile often and laugh a lot. It's good for you and very contagious.

From the Desk of the Secretary

Here we are going into the latter part of summer. I often wonder where the time goes.

This letter is not going to be about membership or dues. This letter is about what happened on July 26, 2015. We held the back to school party for 200 needy children. Each child received a backpack filled with all the school supplies they will need to start the year with.

If you were not a part of the party you missed a good time. You missed seeing the children downing hotdogs, chips, drink soda, breaking the piñata. Most of all you missed the smiles on their faces as they received their back pack. As well as the smiles on the faces of their parents and the tears in their eyes.

I owe a thank you to so many who volunteered their time to make this party a huge success. To put down names I know I will forget many of you. To my kitchen chairman Carol and her entire staff a hearty thank you for all the delicious hot dogs etc. To my decorating and party Chairman Rose and her committee thank you for delivering great decorations as well as the piñata so both the small children had a chance to get the candy and other piñata so that the bigger children could also get their treats. There were many other volunteers that did various jobs. Without you things would not have run as smoothly as they did.

I also want to thank Robert Bolt with whom I coordinated the event. This year's party is over. Now we begin to prepare next year's party. Come and be part of the fun next year. Elks Care Elks Share.

You are probably asking how this was done. Each of you participated by paying your dues. How? Your dues and by your generous donations to our Harry Anna Trust Fund and Elks National Foundation we were able to apply for grants to help these children. Even though you can't come to the lodge or participate the way you would like to by your dues you are participating. So a hearty thank you goes out to you for your help in making this a great day. Oh by the way we will beginning this all over again for next year. Can we rely on your help to make these kids smile in 2016?

Fraternally Yours,
Judy Vergason, Lodge Secretary

VJ Day August 14, 1945

The Potsdam Conference was held from July 16th, 1945 to August 2nd 1945. The Potsdam Conference is considered to be the last of World War Two's conferences. At Yalta and Tehran, the so-called 'Big Three' attended—Churchill, Roosevelt and Stalin. At Potsdam, America was represented by Harry Truman, the Soviet Union still by Stalin and Britain, first by Winston Churchill and then by Clement Atlee, who defeated Churchill in the post-war British election in 1945 which took place during the actual conference. Churchill attended the conference up to July 24th, and Atlee, as Prime Minister of Britain, after this date until the close of the conference.

The issues that had to be discussed at the conference were many. However, by the time of the finish, America had still not used the atomic bomb on Hiroshima so Stalin, with a huge military presence in the east of Europe, could afford to be forceful and confident of getting what he wanted. All Truman would say at Potsdam was that America had a weapon of awesome power – but that meant little to a leader who had millions of soldiers stationed in Eastern Europe.

The issues discussed were:

- 1) Allied control of defeated Germany
- 2) Reparations
- 3) The Oder/Neisse Line
- 4) Russia joining the war in the Far East.

On 6 and 9 August 1945, the United States dropped atom bombs on Hiroshima and Nagasaki. On 9 August, the Soviet Union declared war on Japan. The Japanese government on 10 August communicated its intention to surrender under the terms of the Potsdam Declaration, but with too many conditions for the offer to be acceptable to the Allies.

A little after noon in Japan Standard Time on August 15, 1945, Emperor Hirohito's announcement of Japan's acceptance of the terms of the Potsdam Declaration was broadcast to the Japanese people over the radio. Earlier the same day, the Japanese government had broadcast an announcement over Radio Tokyo that "acceptance of the Potsdam Proclamation would be coming soon", and had advised the Allies of the surrender by sending a cable to U.S. President Harry S Truman via the Swiss diplomatic mission in Washington, D.C. A nationwide broadcast by President Truman was aired at seven o'clock p.m. (daylight time in Washington, D.C.) on August 14 announcing the communication and that the formal event was scheduled for September 2. In his announcement of Japan's surrender on August 14, President Truman said that "the proclamation of V-J Day must wait upon the formal signing of the surrender terms by Japan".

History of Independence Day

In the meeting room, on the bulletin board, there is a heritage corner. Listed in order are the following documents:

The Bill of Rights, the Declaration of Independence, the Elks Resolution on Law and Order, the Elks Declaration of American Principles, the Constitution, the Monroe Doctrine, and the Gettysburg Address. This month, take the time to view the historic documents that formed the history of our country. Our basic Freedoms rest on the first two documents.

This can help you rededicate yourselves to the full performance of your duties as American Citizens.
